# Wedding Photography Agreement

- A. This agreement is between Josef Willis/Studio Momenti, operating in the state of Texas (hereinafter referred to as the Photographer) and the Client specified on the face of this form. This agreement sets forth the Photographer's terms and conditions whereby he agrees to provide photographic coverage of the wedding noted on the face of this form.
- B. Photographer will provide coverage of the wedding at the hour and location designated. Additionally, the Photographer agrees to deliver to the client in approximately 4 weeks DVD(s) of the wedding celebration.
- C. The fee for the package/program selected is noted on the face of this form. If no package is indicated then the fee for the photographers minimum package will be accepted as the default. Additional albums and prints, upgraded albums or associated products may be purchased from the Photographer's price schedule in effect on the date of this agreement and that those prices are guaranteed for one year following the wedding. Orders placed after the one year anniversary of the wedding will be billed at the Photographer's current prices.
- D. A non refundable retainer of \$1500 for the Expanded or Comprehensive coverage or \$1000 for the Essentials coverage is required to bind this agreement and this agreement is conditioned on the collection of the retainer offered. The invoice balance is due and payable 30 days before the wedding along with any estimated travel expenses.
- E. The Photographer is an experienced professional who will exercise reasonable care in the capturing, processing, proofing, storing, copying and archiving of film and digital images. However it is understood that the photographic process is inherently risky and subject to equipment failure, processing and supply errors, and other failures that are outside of the control of the Photographer. Therefore it is agreed that in the event of loss or damage, irrespective of the cause, the Photographer's liability is limited to the fees collected for those services.
- F. Because many variables essential in creating images are outside of the control of the Photographer, specific images cannot be guaranteed. Family and friends are welcome to photograph the wedding, however it is understood that they may not interfere with the Photographer's duties.
- G. In the event that illness or other circumstance prevents the Photographer from providing these services, Photographer will attempt to arrange for substitute photographic coverage. If the Client chooses, they may decline any substitute coverage and receive a full refund of all moneys paid.
- H. Client acknowledges that the Uniform Copyright Act of 1977 and amendments provide for the ownership of the images. Photographer grants to the client to the licensee to make and use copies of the images for their personal use in electronic mail, personal web pages and the like. Commercial usage without permission of the photographer is prohibited. Negatives and/or digital files will be provided to the client within approximately 4 weeks from the date of the wedding. The Client grants to the Photographer permission to use any images taken for studio display, trade and association competition, or use in the promotion of the studio.
- I. This agreement sets forth the entire understanding of the parties and the parties agree to complete this agreement in good faith. Any modifications must be in writing and signed by all the parties. The laws of the State of Texas shall govern this agreement
